A healthy stomach, capable of digesting a good, square meal, is a great blessing. It keeps the body strong by insuring plenty of nourishment. In fact, it means perfect health. But something must be done when the stomach is so tirred that it can't digest what you cat, for undigested food poisons the blood. We can recommend a preparation that completely digests all classes of foods—that is Kopol Dysersiza CURE. It gives the stomach perfect rest and allows you to cat and enjoy the variety of food that is necessary for maintaining theatth. It never for food that is necessary for maintaining theatth. It never pleasant to take and can be used in all conditions.

"For many years I suffered from cirronic indigestion, and it deemed as though nothing was going to do me any good. One be advice of a friend I commenced using Kodol Dyspesia Cure.
